IN THE TITLE

Please delete the Title and replace it with the following:

A (A) Rotary Electrical Machine Having Magnet Arrangements With Magnets of Different Compositions

IN THE DRAWINGS

Attached hereto please find a letter to the draftsman with corrected drawing figures 1a-1d, 2a-2c and 3. These drawing figures have been corrected in red ink to include the legend "Prior Art" as required by MPEP 608.02(g). No new matter has been added.

IN THE SPECIFICATION

The Examiner has required a substitute specification showing changes required by the Official Action. Applicant has attached hereto a "marked-up" specification showing all changes with brackets and underlines and a "revised" specification with changes incorporated therein. No new matter has been entered because all changes are grammatical and formal in nature.
